

SDS2026

IEEE Swiss Conference on Data Science and AI

Call for Workshop Proposals

Take a look at
the SDS2025
Flashback video

Be part of the 13th IEEE Swiss Conference on Data Science and AI (SDS2026), Switzerland's leading platform for applied Data Science and AI.

We invite you to propose thematic workshops or hands-on tutorials. Workshop topics should have a high relevance to important sub-fields of Data Science and AI, present tangible outcomes, and include hands-on activities. Examples may include shared dataset challenges, hackathons, or competitions. Tutorials should have educational objectives.

All accepted workshops will take place on 7 May 2026 at The Circle Convention Center, Zurich Airport. (projector and flip chart will be available in the rooms)

Workshop duration: 3 hours

Morning slots: 9:00-12:00

Afternoon slots: 13:00-16:00

(slot allocation is done by Data Innovation Alliance to enable the best possible programme)

Since the workshop organiser will not receive any financial compensation for running the workshop, Data Innovation Alliance will bear the costs for the venue and beverages. A small lunch will be provided.

Please follow the link below to submit a workshop proposal.
